SARITA JAMWAL

Front-End Developer
7807015983 | sjamwal610@gmail.com | Palampur, Himachal

PROFESSIONAL SUMMARY

Front-End Developer with 3+ years of experience building responsive, high-converting web interfaces for travel and booking platforms. Proficient in HTML5, CSS3, Bootstrap 5, and JavaScript, with hands-on experience in mobile-first UIs, landing pages, live flight-fare search integration, and CRM front-end development. Basic working knowledge of PHP and Laravel, and uses AI tools to speed up development, debugging, and UI iteration.

TECHNICAL SKILLS

- **Core Technologies:** HTML5, CSS3, Bootstrap 5, JavaScript (ES6+)
- **Frameworks & Tools:** Git & GitHub, PHP (Basic), Laravel (Basic), REST API Integration, AI-assisted development tools
- **Specialization:** Responsive Web Design, UI/UX Layouts, Landing Page Optimization, Lead Generation

WORK EXPERIENCE

Front-End Developer | Bookviaus | *March 2023 – Present*

- Designed and developed responsive travel and booking websites using HTML5, CSS3, Bootstrap 5, and JavaScript.
- Integrated a flight API to power live fare search on flight booking pages.
- Built high-converting landing pages optimized for lead generation and booking inquiries.
- Developed responsive UI for flight booking, cruise booking, and travel-related web projects.
- Contributed to a Sales CRM (travel360crm.com) as part of a 3-member team: front-end design and basic Laravel functionality.
- Ensured cross-browser compatibility and mobile-first responsiveness across all projects.
- Collaborated with backend teams to implement new features and seamless integrations.
- Managed ongoing website updates, content changes, and performance improvements.

KEY PROJECTS

Sales CRM – travel360crm.com

- Worked in a team of 3 (two senior developers and myself) on a CRM for managing leads and tracking customer data.
- Designed the front-end UI and implemented basic functionality in Laravel.
- Improved workflow efficiency for the sales team.

Flight Booking Website

- Built fully responsive pages using HTML, CSS, Bootstrap, and JavaScript with a focus on clean UX and mobile usability.
- Integrated the Ignav flight API for live fare search, displaying real-time results to users.

Cruise Booking Website

- Designed interactive and responsive cruise booking layouts with smooth navigation and visual appeal.

Travel Agency Website

- Developed promotional travel websites focusing on conversions, lead capture forms, and booking inquiry flows.

EDUCATION

Master of Computer Applications (MCA) – Chitkara University | 2020
Bachelor of Computer Applications (BCA) – TJCM Govt. Degree College, HP | 2018
